

Amendment Summary

A07463 (Ward)

COMMITTEE: Banking and Insurance

DATE: 6/7/10

PRIME SPONSOR: Ward

BILL NO: SB1181

PREPARED BY: Allison Dutrey

PRINTER'S NO: 1592

This amendment makes the bill consistent to HB2154, P.N.3442.

Establishes a comprehensive database system approved by the Insurance Department which will enable insurers, agencies, the Insurance Fraud Prevention Authority, and the National Crime Bureau to access, input, and share information related to suspected fraud.

Clarifies that the immunity granted will apply to individuals identified as designated employees of insurers whose responsibilities include the investigation on claims.

Makes technical changes clarifying definitions.
